Subj: Recognition of Retiree – Ellen Cameron

BACKGROUND:

Ellen Cameron will be retiring from the City of Elizabeth City on December 1, 2017, as the Data Process Coordinator with 24 years of service. Ellen started working with the City on April 12, 1993, as a Meter Reader. Throughout her tenure with the City, Ellen has held the following positions: Clerical Assistant; Customer Service; Customer Service Clerk; and Data Processing Assistant.

Her current supervisor, Evelyn Benton said the following: “When I think of someone who is intelligent, dedicated, responsible, and dependable, I think of Ellen Cameron. In the 29 years that I have worked for the City of Elizabeth City, I have known few people that will go the extra mile to do what is necessary, and Ellen is one of those people. There has never been a time that she has not been able to help me in some way with a myriad of questions. Her responsibilities have been so great at times, having to do the work of two people, and she has met the mark. Ellen has been an encourager, advisor and comedian to me since I have had the pleasure to work with her. She has been my “work-sister”, and she will be greatly missed.”
