Stanley Jones will be retiring from the City of Elizabeth City on March 1, 2019 as a Fleet Maintenance, Equipment Mechanic I in the Public Utilities Department. In 1998, Stanley began his career with the City, working in the Water and Sewer Division. His tasks in that division included installing water meters, repairing water leaks, unclogging drainage lines and operating various pieces of equipment.

In 2004, Stanley transferred to the Fleet Maintenance Division as an Equipment Mechanic I. His tasks with the Fleet Maintenance Division included tire replacement and repair, preventative maintenance, tune-up service, brake service, and North Carolina Safety Inspection, amongst a multitude of others. Stanley takes pride in his work, is a great motivator, dependable and has a contagious laugh. The Fleet Maintenance Division will greatly miss Stanley and his years of hard work. We wish Stanley all the best in his retirement endeavors and thank him for the contribution and years of service to the City of Elizabeth City.
